This year we will be holding our first ever charity Netball tournament for SMART (Steven McEvoy Always Remembered and Treasured) in aid of the Walton Centre. The tournament will be held on Friday 11 September 2015 at IM Marsh Campus, Aigburth, Liverpool.

We welcome teams of 7-10 players to join us – a great chance to socialise with CISI members in the region.

Spectators (colleagues, partners, wives, children etc.) are all welcome to come and cheer you along free of charge with a suggested donation towards the SMART charity collection on the evening.

To enter your team, please complete the booking form online and return it along with payment to Alexandra Blunden (alexandra.blunden@cisi.org) no later than Friday 21 August 2015.
