Who we are

The Chartered Institute for Securities & Investment is the leading professional body for wealth management, financial planning, capital markets, corporate finance, compliance, risk, Islamic finance and operations professionals in the UK and a growing number of major financial centres. We have a global community of over 45,000 members in 104 countries and last year more than 40,000 CISI exams were sat in 80 countries, 15,000 taken outside the UK.

Our aim is to set standards of professional excellence and integrity for the securities, investment, wealth and financial planning professions, providing qualifications and promoting the highest level of competence to its members, other individuals and firms.
