Introduction

The Commerce and Employment Department (“C & E”) of the States of Guernsey, following consultation with the industry and public on the manner in which retail financial products are distributed in Guernsey, requires staff offering financial advice to retail clients to hold a relevant Qualification Curriculum Authority level 4 qualification.

The Guernsey Financial Services Commission in its consultation paper of September 2013, in taking steps to implement the C&E’s decision, proposed that these advisers undertake specified continuing professional development and hold a statement of professional standing.

A further consultation paper was issued on 16 July 2014 providing drafts of rules and codes that were proposed by the Commission to come into effect on 1 January 2015.

The response was published on 12 November 2014 and rules and codes approved.

This booklet sets out the qualifications, CPD and SPS services that are available from CISI for existing and new advisers.

The CISI welcomes the Guernsey Financial Advice Standards (GFAS) and we look forward to working with you.

Alan Yarrow, Chartered FCSI(Hon)
Chairman, CISI
Key GFAS requirements for individuals

Scope of GFAS

The educational strand of The Commission’s GFAS applies to advisers of POI licensees advising retail clients on controlled investment products, general securities and general derivatives and Authorised Insurance Representatives (AIRs) providing advice on long term insurance products excluding pure protection products, permanent health, credit life assurance and any contracts on human life that are renewable annually.

QUALIFICATIONS

Advisers will be required to hold a qualification at level 4 or above, as listed overleaf.
### The Commission’s Table of Acceptable Qualifications

</table>
It will remain a mandatory requirement for all relevant AIRs to hold the Guernsey Insurance Certificate (‘GIC’) in addition to a listed level 4 qualification.

**TRANSITIONAL ARRANGEMENTS**

A transitional period of 1 year for existing staff is to be allowed after the implementation date. The implementation date is **1 January 2015**. All current staff must have obtained a qualification listed by the Commission (including any gap-fill required) by **31 December 2015**.

Grandfathering will not be permitted and there are no discretionary arrangements.

**EDUCATIONAL REQUIREMENTS FOR NEW STAFF***

New staff may provide advice to retail clients, subject to the following:

1. The staff member must have completed the regulatory module of a qualification listed by the Commission; and
2. The staff member is supervised at all times by another staff member who holds a relevant level 4 qualification; and
3. The staff member must have obtained the relevant level 4 qualification within 30 months of their appointment as a Financial Adviser. In calculating the 30 month period, a licensee must aggregate periods of time spent during different periods of relevant employment (i.e. a person cannot spend 30 months employed as a Financial Adviser by one licensee, fail to obtain the relevant level 4 qualification and then move to another licensee and the 30 months start again). If the staff member does not obtain a relevant level 4 qualification within 30 months they must cease providing advice to retail clients until the relevant level 4 qualification is obtained.
4. The 30 month period commences on the employee’s appointment as a Financial Adviser, after passing the regulatory unit of the relevant level 4 qualification. This 30 month period may be extended in certain circumstances.
5. If no level 4 qualification is obtained at the end of the aggregate 30 month period, the individual must cease advising including under full supervision.
6. For those advising on long term insurance business, attaining the Guernsey Insurance Certificate is not a prerequisite to being appointed as an FA although this examination must be achieved before the FA is considered as fully qualified.

Statement of Professional Standing (SPS)

From 1 January 2016, and on an ongoing basis, each Adviser must obtain a valid SPS. Advisers will be able to apply to renew their SPS in advance of the expiry of the existing one. If a licensee is not provided with a new SPS within three months of the expiry of an SPS, the licensee must de-authorise the Adviser until a valid SPS is provided. During this period, the Financial Adviser may not provide advice to retail clients.

In addition to a valid SPS issued to a Guernsey resident Adviser, a valid SPS issued to an Adviser in the United Kingdom or Isle of Man may be accepted by a licensee. SPSs will not be available before the third quarter of 2015.

The Commission requires licensees to obtain a Statement of Professional Standing (SPS) for relevant staff on an annual basis within three months of the expiry of a valid SPS.

CONTINUING PROFESSIONAL DEVELOPMENT

The Commission has introduced a requirement for CPD mirroring that currently required by the UK Financial Conduct Authority (FCA) in respect of retail investment advisers. The FCA’s current requirements are to complete a minimum of 35 hours’ compulsory CPD each year (of which at least 21 hours must be structured CPD).

Significance of GFAS

The headlines are:

- Qualifications need to be completed by 31 December 2015 for those advisers authorised by their employer on or before 31 December 2014. This date (31 December 2015) applies whether completing the full qualification or utilising gap fill. Advisers appointed on or after 1 January 2015 will have 30 months to complete their acceptable qualification irrespective of the method.

- Qualifications must be on the Commission’s list of acceptable qualifications.

- Many legacy qualifications, or those approved for GFAS purposes as relevant and at the appropriate level, have gaps between what they cover and the new standards. Gap-fill is needed to cover these. For existing advisers this must be completed by the end of 2015.

- 35 hours’ CPD must be completed each year, of which 21 hours must be structured CPD.

- A Statement of Professional Standing must be obtained.
Qualifications

The list of exams that are acceptable under the GFAS includes a list of existing or legacy qualifications that can be used by advisers to demonstrate that they meet the higher-level exam requirements. The FCA had previously set out how the gaps between existing and legacy level four (or higher) qualifications and the new exam standards need to be met through appropriate qualification gap-fill (specific continuing professional development) and for the CISI’s qualifications, this gap fill is listed on the website cisi.org/gapfillguide

Further guidance can be obtained from rdr@cisi.org

Qualifications choices for firms and individuals

Firms will need to make a decision on which qualifications their advisers should take in order to become compliant with the Commission’s qualification requirements.

Advisers authorised by a licensee prior to 30 June 2009 can choose to take the Certificate in Private Client Investment Advice and Management (PCIAM) exam and then use qualification gap-fill or attempt a new level four (or higher-level) qualification.

In practice, only individuals who have been advisers for some time, or who were advisers and now wish to return to the industry, will hold one of the legacy qualifications which pre-date the UK’s RDR. The PCIAM is a special case, as this Certificate is a qualification which was in use pre-RDR/GFAS and may still be used. The CISI has entry criteria for PCIAM. Candidates for this examination must hold a benchmark retail qualification. For individuals within the scope of the GFAS this may be a level 3 benchmark retail qualification gained before December 2012 (Where such a qualification was gained after November 2007, this must include a unit satisfying the standards for Investment Principles & Risk)

New or trainee advisers (ie those who do not hold a level 4 retail benchmark) may choose the level seven Chartered Wealth Manager Qualification* (for which there are eligibility requirements, see cisi.org/mwm), or the level four Investment Advice Diploma. New advisers may also take PCIAM once they have completed the IAD. The CISI will support firms in whatever qualification route they decide to take.

*previously the CISI Masters in Wealth Management
Qualifications for new and existing advisers

New qualifications are particularly suitable and recommended for new advisers but can also be used by existing advisers. The new exam standards mean that for new or trainee advisers it will be necessary to take exams that have been revised, or redeveloped, or are brand new.

The CISI offer of GFAS-compliant qualifications is as follows:

Investment Advice Diploma (IAD), comprising two core units and one or more specialist units depending on the activities undertaken.

Core Units

- Level four: UK Financial Regulation and Professional Integrity
  Computer based tested (CBT)
- Level four: Investment, Risk and Taxation (CBT)

Specialist Units

- Level four: Securities (CBT)
- Level four: Derivatives (CBT)
- Level five: Private Client Advice (Narrative, offered twice a year in June and December)

There are no gaps between the IAD and the new exam standards, so qualification gap-fill is not required.

We recommend, including self-study, a minimum of 140 hours per unit to prepare for each exam.

Full information about the IAD can be found at cisi.org/iad

Completion of IAD allows candidates to join as Associate Members (ACSI) and, together with 3 years successfully logged CPD via the CISI CPD scheme and gaining a pass in IntegrityMatters, they will fulfil the requirements for Chartered MCSI.
The CISI level 7 Chartered Wealth Manager Qualification

Developed in conjunction with leading industry practitioners and members of the main trade body for the sector, the Wealth Management Association, the Chartered Wealth Manager Qualification is the CISI’s flagship qualification, and lies at the very heart of the Institute’s activities.

As a level seven qualification, it meets the GFAS requirements in full and can be taken by new advisers, possibly with a regulatory paper initially so that candidates can work under supervision within the Commission’s Training and Competence regime.

The qualification comprises three units:

1) Financial Markets: the environment in which wealth management operates
2) Portfolio Construction Theory: the theory of portfolio construction, taxation and trusts
3) Applied Wealth Management: practical portfolio construction and management

It covers six activities:

• Advising on (and dealing in) securities
• Advising on (and dealing in) derivatives
• Managing investments
• Advising on packaged products

There are no gaps between the level seven Chartered Wealth Manager curriculum and the new exam standards, therefore qualification gap-fill is not required.

We recommend, including self-study, a minimum of 200 hours per unit to prepare for each exam. Full information about the CISI Masters in Wealth Management can be found at cisi.org/cwmq

Eligibility rules apply to candidates sitting this qualification. cisi.org/cwmq

In the flowchart on page 16, a further option of taking a whole level four qualification first, plus the level five Private Client Advice paper, permitting exemption from Financial Markets, is given.
Candidates completing the Chartered Wealth Manager Qualification and gaining a pass in IntegrityMatters, are eligible for full membership (MCSI). After one year as MCSI, one year of successfully logged CPD via the CISI CPD scheme, members can become Chartered MCSI.

This qualification has met the standards for the RDR since December 2010. Individuals who gained one or more units of the then CISI Masters in Wealth Management prior to that date may need to undertake gap fill.

Qualifications for advisers

The Commission has published a list of qualifications that existing advisers can take now in order to become GFAS-compliant. These qualifications are best understood as either legacy qualifications which are no longer available (for example, the London Stock Exchange (LSE) Membership exams), or current. In both cases these qualifications require qualification gap-fill in order to fulfil the requirements of the GFAS.

The CISI qualifications that can be taken now and require gap-fill are the Certificate in Private Client Investment Advice and Management (PCIAM) and the level six CISI Diploma. The CISI level seven Chartered Wealth Manager Qualification has been fully RDR-compliant since December 2010.

Level 7
CISI Chartered Wealth Manager Qualification
Legacy qualifications

Some exams are no longer available now but count as relevant qualifications with gap-fill. These are the MSI(Dip); the Investment Advice Certificate; certain combinations of LSE Full Membership exams; and the level six CISI Masters in Wealth Management.

Advisers will be deemed level four (or above) qualified if they hold one of the legacy qualifications.

In order for advisers to be compliant with the GFAS requirements, any gaps between the content of these exams and the new exam content needs to be filled using qualification gap-fill.

A list of the legacy qualifications offered by the CISI follows.

Chartered Institute for Securities & Investment

LSE Full Membership Exams (where holders have three or four of the units or hold both the Stock Exchange Practice and Technique of Investment exams)

Level six Masters in Wealth Management (it became level seven and GFAS-compliant (therefore RFA compliant) from December 2010 exams and is now known as the Chartered Wealth Manager qualification)

MSI(Dip) (where candidates hold three units of the CISI Diploma as recommended by the firm)

Investment Advice Certificate

CISI qualifications on the Commission’s list still available but requiring gap-fill

The qualifications below existed before the GFAS policy but are recognised by the Commission as suitable for the GFAS when combined with gap-fill.

Certificate in Private Client Investment Advice & Management (PCIAM) by exam and by alternative assessment

Level six CISI Diploma (where candidates hold three units as recommended by the firm)

PCIAM Eligibility Rules

The CISI has eligibility criteria for this qualification.

cisi.org/pciam-requirements

<tbody>
<tr>
<td>Began advising retail clients prior to 30 June 2009</td>
<td>May apply irrespective of the retail qualifications they may or may not have achieved</td>
<td>Advisors who need to show they were eligible via this route for entry into PCIAM please use the proforma letter which needs to be signed by the firm and sent to the CISI with the gap-fill.</td>
</tr>
<tr>
<td>Began advising retail clients between 01 July 2009 and June 2015</td>
<td>A relevant retail level 3 or level 4* qualification must be held before entry into PCIAM</td>
<td>Advisers who took a level 3 retail benchmark exam and then wish to enter PCIAM should note that they will need to have completed the level 3 retail benchmark exams (which include Investment &amp; Risk post-MiFID).</td>
</tr>
<tr>
<td>Began advising retail clients after 30 June 2015</td>
<td>Candidates sitting the December 2015 paper and after must hold an RDR/GFAS compliant level 4 qualification</td>
<td>RDR compliant level 4 qualifications include the CISI’s level 4 Investment Advice Diploma. The CISI will accept other level 4 qualifications which meet, in full, the qualifications requirement of at least one of the FCA authorised activities listed above, and are listed on the FCA Appropriate Qualification tables*. Please contact the RDR inbox for further information at <a href="mailto:rdr@cisi.org">rdr@cisi.org</a> New advisers need not complete the entire gap fill if they have covered the examination standards in their level 4 qualification. An alternative is the CISI Masters in Wealth Management for those new advisers seeking a higher level qualification to qualify for both RDR and personal chartered status. *For example, CFA UK Investment Management Certificate (Level 4) on its own is not an RDR compliant qualification and would need to be combined with another qualification; for example to be combined with an CISI Diploma in Investment Advice technical unit such as the Level 4 Securities or Derivatives unit, or CFA level 1, to satisfy one of the qualifications in full.</td>
</tr>
</tbody>
</table>

PCIAM may also be suitable for returners to the sector who may not be currently registered with the Commission but were previously.

The CISI will normally accept entries for PCIAM from candidates who are not already authorised by a licensee if they hold a relevant retail benchmark qualification at QCF level three, ie, the level of qualification required prior to the GFAS.

Circumstances might include those who have been absent from the industry for a while.

Detailed requirements of gap-fill are appended in this booklet.

YES

A fee is also payable for the issuance of any replacement exam certificates.
Qualifications recommended for existing advisers

Certificate in Private Client Investment Advice and Management (PCIAM)

The PCIAM certificate is the CISI’s recommended route for advisers authorised prior to 30 June 2009, who need to comply with the new qualification standards. The percentage of candidates who are very experienced advisers has increased and shown a very pleasing pass rate.

A premier service, priced at an additional £100 per exam (minimum of £250 per firm), is available for senior advisers wishing to take the exam in a more private environment such as their offices with personal invigilation.

Accredited by Ofqual as a stand-alone level six qualification, the PCIAM substantially covers the four core areas required by the FCA and therefore, the Commission. These are:

- regulation and ethics
- personal taxation
- investment principles and risk
- the practical application of technical knowledge

Advisers should be aware that they need to comply with the GFAS by the beginning of 2016, in other words, they need to have completed any qualification gap-fill by 31 December 2015. The last sitting of PCIAM which is suitable for individuals who wish to be sure of meeting this deadline is June 2015, for which sitting results will be available in August 2015.

Candidates completing PCIAM, a level 6 qualification and gaining a pass in IntegrityMatters, are eligible for full membership (MCSI). After one year as MCSI, one year of successfully logged CPD via the CISI CPD scheme, members qualify for Chartered MCSI.

CISI level six Diploma

The CISI’s level six Diploma is acceptable where the candidate has taken three units recommended by the employer. Further information about the Diploma can be found at cisi.org/cisidiplomahp. The last sitting for the CISI Diploma is December 2016.
Alternative Assessment

The Commission’s proposal on alternative assessments

The Commission has agreed that individuals may meet increased qualification requirements by methods which are alternative to traditional examinations.

CISI alternative assessment

Key features of the CISI scheme are:

• assessment based on the learning outcomes of the Certificate in Private Client Investment Advice & Management (PCIAM)
• comprises a written submission, and a two-hour assessment made up of a competency interview and a case study presentation
• successful candidates gain the PCIAM
• minimal structured learning hours to complete the gap-fill to full GFAS compliance
• trained senior practitioner assessors
• two assessments in Guernsey in June 2015 (subject to demand)

The CISI scheme is priced at £1,750. Please contact rdr@cisi.org

CISI qualifications gap-fill and exemptions policy

The CISI has completed a comprehensive mapping of the new standards to existing and legacy exams. This process maps the attainment level, outcomes and indicative content of the new exam standards with the syllabus sections and objectives of the relevant CISI qualifications.

Recording of CPD for GFAS qualifications gap-fill

It is important for those members undertaking gap-fill in order to fill the gaps highlighted in the legacy qualifications to remember that the activity must be recorded.

To assist members, and to complement the gap analysis work that has already been undertaken, a factsheet for each qualification sets out the recommended activities to cover each gap and the factsheets and instructions on recording evidence through the online log can be found at cisi.org/gapfillguide
Members will then have to record and evidence the CPD undertaken for each of the gaps using the online gap-fill log.

**Qualification and gap-fill verification**

The CISI are able to provide verification for individuals that they hold a qualification that satisfies the qualification requirement of the GFAS and that they have completed appropriate qualifications and gap-fill.

**CISI gap-fill guidance**

The gap-fill guidance is provided for:

- Private Client Investment Advice & Management (PCIAM)
- London Stock Exchange (LSE) full member exams (only certain exams qualify)
- Investment Advice Certificate (IAC)
- CISI Masters in Wealth Management (MWM) exams (to June 2010, fully RDR-compliant from December 2010 and is now known as the Chartered Wealth Manager qualification)
- CISI Diploma

Guidance can be found at [cisi.org/gapfillguide](http://cisi.org/gapfillguide). All gaps must be addressed through structured learning prior to applying for an SPS.

Advisers using the CISI’s CPD online log will find a dedicated gap-fill log where the exact gaps each adviser has left to fill will be listed, as well as the means to assign structured learning to each gap. Advisers using CISI CPD events or activities will have these automatically logged but we anticipate that many will use a firm’s own seminars, together with other providers, and the CISI endorses provision other than its own. The CISI online gap-fill log is available at [cisi.org/cpdlogin](http://cisi.org/cpdlogin)

Our list of CISI approved gap-fill providers can be found at [cisi.org/gapfillverification](http://cisi.org/gapfillverification).

Please note that the CISI will not accept reading as structured learning for gap-fill apart from in exceptional cases. Please contact [rdr@cisi.org](mailto:rdr@cisi.org) for clarification.
CII gap-fill guidance

The CISI will provide gap-fill guidance to members on CII transitional qualifications. For individual guidance, please email the full qualification details and all exams completed within the CII qualification to rdr@cisi.org.

Please note that you do not need this certificate if you hold the IAD or CWMQ.
Exemptions policy

The CISI permits one exemption for certain units of its threshold competence level four qualifications, for those candidates who hold equivalent units from the qualifications of other awarding bodies. This only applies to the core exam standards.

The list of exemptions is as follows:

<table>
<thead>
<tr>
<th>Equivalent unit from other bodies:</th>
<th>Exempts from CISI, one of:</th>
</tr>
</thead>
<tbody>
<tr>
<td>CII Level 4 Diploma in Regulated Financial Planning</td>
<td>CISI Level 4 Diploma in Investment Advice</td>
</tr>
<tr>
<td>Financial Services, Regulation and Ethics (RO1)</td>
<td>UK Regulation &amp; Professional Integrity</td>
</tr>
<tr>
<td>CFA UK Level 4 Investment Management Certificate</td>
<td></td>
</tr>
<tr>
<td>Investment Environment (Unit 1)</td>
<td></td>
</tr>
<tr>
<td>ifs Level 4 Diploma for Financial Advisers</td>
<td></td>
</tr>
<tr>
<td>Financial Services, Regulation and Ethics</td>
<td></td>
</tr>
<tr>
<td>Investment Principles and Risk (RO2) plus Personal Taxation (RO3)</td>
<td></td>
</tr>
<tr>
<td>Full Level 4 Investment Management Certificate</td>
<td></td>
</tr>
<tr>
<td>Full ifs Level 4 Diploma for Financial Advisers (post 1 Aug 2010 only)</td>
<td></td>
</tr>
<tr>
<td>Investment, Risk &amp; Taxation</td>
<td></td>
</tr>
</tbody>
</table>

Please note: Holders of existing level three awards are NOT eligible for exemption from any units in the CISI level four Investment Advice Diploma.

Details on how to apply can be found at cisi.org/exemptionsiad
The CISI’s GFAS routes can be summarised diagramatically:

These three qualifications represent the main choices of CISI routes to GFAS qualification compliance. However, legacy qualifications such as London Stock Exchange, IAC, as well as the CISI Diploma also qualify.

Please see flowcharts on pages 14-15.
## Membership and CPD

### CISI pinnacle of professionalism through Chartered membership

Our requirements for Chartered membership chimes well with the professionalism stream of GFAS. Joining the CISI as an Associate member is the first step to becoming personally chartered. To become Chartered, members must successfully log a number of years of CPD on the CISI CPD scheme as well as gain a pass in IntegrityMatters, our online ethics test, to reflect the very high standards of ethics for Chartered members.

The number of CPD years required to qualify for Chartered status is dependent on the level of CISI qualification held, as highlighted below:

<table>
<thead>
<tr>
<th>CISI level of qualification</th>
<th>Number of years CPD</th>
</tr>
</thead>
<tbody>
<tr>
<td>Level three</td>
<td>Three years</td>
</tr>
<tr>
<td>Level four</td>
<td>Two years</td>
</tr>
<tr>
<td>Level five</td>
<td>Two years</td>
</tr>
<tr>
<td>Level 6</td>
<td>One year</td>
</tr>
</tbody>
</table>

Please note: those members who have passed a CISI level six qualification can join as a full MCSI member once they gain a pass in IntegrityMatters.
Do you have a pass in IntegrityMatters? NO

Do you have three years’ logged CPD as an ACSI? * NO

Do you have three years’ logged CPD as an MCSI or FCSI? * NO

Do you have an SII/CISI Level 6/7 Qualification? NO

Have you been an MCSI or FCSI member for a minimum of one year? NO

Do you have: 1. an SII/CISI Level 4 or 5 Qualification and two years’ logged CPD* as an ACSI 2. an SII/CISI Level 6/7 Qualification and one year’s CPD* as an ACSI? NO

You will need to take and pass IntegrityMatters

You must log one year of CPD to proceed

You may also upgrade to Chartered FCSI if you pass a CISI level 6/7 qualification and have three years’ logged CPD as an MCSI and/or Chartered MCSI

Charioted MCSI

Chartered FCSI

Please refer to our website cisi.org/membership to see how you can qualify

* CPD must either be logged on the CISI CPD Scheme or your firm’s scheme must have been formally accredited by the Institute. Approved CPD year/s must be consecutive and directly precede your application

Apr 2014
CISI Factbook on GFAS ©CISI 2014

CISI Gap Fill Providers

The CISI has a list of organisations approved to provide gapfill for RDR purposes at cisi.org/gapfillproviders.

This list is also valid for GFAS purposes. Organisations or individuals not listed who wish to provide gap-fill for GFAS purposes should contact rdr@cisi.org for further information. Firms and individuals are not limited to this list of providers, but should bear in mind that if the provider is not listed, it will be necessary for the firm or individual to demonstrate that the relevant gaps have been covered.

The CISI’s CPD scheme

The CISI is an Accredited Body under the FCA’s RDR, and the Commission has decided to recognise the RDR-accredited bodies for its GFAS. At present the CISI audits a minimum of 20% of its members’ records. For RDR purposes this number includes at least 10% of retail investment advisers.

The CISI has its own CPD scheme which is consistent with the requirement of 35 hours, with 21 hours minimum being structured. It is free for members to use and has an online logging system which can be used to satisfy the GFAS requirement.

The CISI CPD scheme also has a super-user function to enable training/HR and compliance staff to monitor the activities being undertaken, which is available free of charge to all corporate supporters.

The CISI CPD log allows members to keep a centralised record of all their CPD activity. The CISI automatically records all the CISI’s own CPD activities undertaken by members. The CISI also endorses a wide range of CPD provision from other providers to assist members and their firms in selecting external CPD. Members can also include, and will need to record, all other CPD, eg. from other Professional Bodies, CPD providers and their own or others’ firms.

Members need to ensure that CPD is relevant to the GFAS part of their role.
CISI CPD opportunities

Assisting members to maintain their ongoing competence is one of the three core principles of the CISI. To assist members in achieving this aim, the CISI offers a large number of free, or heavily discounted, benefits which can contribute to the completion of advisers’ CPD programmes. Professional benefits free to members include:

- **Professional CPD seminars** – covering GFAS-related topics
- **CPD scheme** including online CPD log
- **CISI TV** – webcasts/podcasts of CPD seminars and other investment content
- **Professional Refresher** – online training tool with GFAS-related modules for both qualification gap-fill and core qualification areas, expanded to 60 modules
- **Professional Forums (PFs)** including wealth management
- **Securities & Investment Review** – the Institute’s membership magazine
- **Online Change, the Regulatory Update** – quarterly update on recent and future regulatory changes in the UK, EU and globally
- **Investment Management Review** – a quarterly publication
- **Apps**
- **Webinars**

For more information on the benefits of CISI membership, please visit [cisi.org/membership](http://cisi.org/membership)

We also offer discounts on CISI conferences and training courses.

For further details, please visit [cisi.org/events](http://cisi.org/events)
Structured/Unstructured

All online CPD activities and events undertaken with the CISI are autologged to the CISI CPD Scheme and do not require evidence to be submitted in a CISI CPD Audit.

### Structured

Structured learning/structured CPD must be a purposeful learning activity, ie, an activity undertaken for the express purpose of learning, such as a training course, or a company briefing on a new market, ie, where there are defined learning outcomes to be achieved, such as learning about a specified new market, or a specified new type of fund. It must be verifiable, eg, through attendance records, or through the independent logging of an elearning revision course. Please note that all structured CPD must be a minimum of 30 minutes.

Minimum hours: 21

**I have attended**

- Company Briefings/Updates / Team Meetings with an explicit briefing remit
- Exam Training Course
- CPD Event
- Seminars
- Workshops

**I have developed others by**

- Chairing or Presenting at an Industry Relevant Event
- Member of industry-related Board, Panel or Committee
- Developing and Assessing Exam Questions
- Syllabus Exam Panel
- Training or Briefing Staff and Colleagues on Industry Relevant Topics
- Writing Industry Articles, Workbooks and Journals
- Contributing towards Learning Materials

**I have watched or listened**

- Verifiable webcast with questions or test
- Verifiable Podcasts
- Verifiable Webcasts
- Verifiable Live Webstreams

**I have undertaken**

- Exams (Benchmark qualifications not accepted as CPD)
- Verifiable eLearning

**I have read** (max 5 hrs)

- Workbooks
- Exam revision
- Studying

This meets the GFAS requirements.

### Unstructured

This element includes unplanned activities, where there is no pre-determined learning objective and outcome. This also includes unaccompanied learning activities.

A maximum of 14 hours.

**I have attended**

- Informal meeting with no predetermined learning purpose

**I have developed others by**

- Informal Coaching and Mentoring Staff on Industry Relevant Topics

**I have watched or listened**

- Television Programmes on relevant topics
- Unverifiable Podcasts
- Unverifiable Webcasts
- Unverifiable Live Webstreams

**I have undertaken** (max 10 hrs)

- Research

**I have read** (max 5 hrs)

- CISI's Change - the Regulatory Update
- Reading Financial Times
- Securities & Investment Review
- Reading Trade Magazines
- Online News Services
- Reading Industry Journals
- CISI's Investment Management Review
- CISI's Mobile App

* Note on reading for members affected by the RDR

Structured CPD can include reading and should only comprise educational reading where quality reading material has been produced to meet a clearly specified and required learning outcome. The CISI will accept it as structured learning in clearly defined circumstances, as 5hrs maximum structured learning (with 5hrs unstructured learning being 10hrs in total for reading).

Where reading is recorded as structured CPD, the CISI's expectation is that the member will record the title and author of the publication, and the qualification or specific learning outcome towards which it was used, in the description field on the CISI CPD log. Please always check your company policy which may be more rigorous than regulatory requirement.
Firm CPD scheme accreditation

The CISI also offers firms the opportunity to have their own CPD schemes accredited for a fee, which will enable firms to demonstrate that they match, by at least 80%, the Institute’s CPD scheme requirements. The CISI will only accredit corporate supporters.

Accreditation involves a number of steps:

1. Complete firm CPD scheme accreditation application form
2. Preliminary review of CPD scheme by CISI staff
3. Accreditation visit

For further information contact cpdscheme@cisi.org

CISI CPD providers

As part of the CISI CPD scheme, the CISI recognises the relevance of CPD events and other CPD activities offered by other CPD providers and encourages members to record all these activities on their CPD log. The Institute produces a list of recognised CPD providers and a number of these have been officially endorsed by the Institute as ‘Approved CPD Providers’, which enables them to promote their accreditation on their marketing material.

For those CPD providers interested in becoming endorsed, they must first complete an application form (which can be requested from cpdscheme@cisi.org). An initial assessment is then carried out from the information supplied and then a visit to the CPD provider is arranged. The visit is undertaken by the CPD scheme manager and an industry practitioner to assess the quality of the events and courses organised. If the CPD provider has met the criteria, it will then be added to the list of endorsed CPD providers. There will normally be a fee.
Approaches to discipline

The CISI’s approach to discipline

The CISI’s disciplinary procedures have been revised so that, at each step, there is a review of the matter under consideration to ensure that the process is transparent and fair.

There is lay representation, technical specialists if needed, and also representatives of the CISI membership on all disciplinary and appeal panels.

As is currently the case, the CISI will have no regulatory jurisdiction over the performance of members.

Ethics

The CISI’s promotion of trust and integrity

The Commission has stated that Investment employees will be reminded of the requirements in the IB Codes for registered persons, and their staff, to conduct their business with integrity.
Integrity and ethics are central to the mission and philosophy of the CISI. Consequently we are well placed to help meet the Commission’s goals of enhanced professionalism and consumer confidence with a variety of highly regarded products and services. These include the IntegrityMatters online workshop and test, the Integrity at Work interactive workshop, the elearning Professional Refresher Integrity and Ethics unit and our monthly Grey Matters ethical dilemma in the Securities & Investment Review magazine and in four books of case studies, Integrity at Work volumes 1, 2, 3 and 4.

The CISI’s Code of Conduct

The genesis of the CISI Code of Conduct was June 2005 in conjunction with the Worshipful Company of International Bankers. A revised Code of Conduct was effective from 1 Feb 2011, and a copy appears below.

1. To act honestly and fairly at all times when dealing with clients, customers and counterparties and to be a good steward of their interests, taking into account the nature of the business relationship with each of them, the nature of the service to be provided to them and the individual mandates given by them.

2. To act with integrity in fulfilling the responsibilities of your appointment and to seek to avoid any acts, omissions or business practices which damage the reputation of your organisation or the financial services industry.

3. To observe applicable law, regulations and professional conduct standards when carrying out financial service activities, and to interpret and apply them to the best of your ability according to principles rooted in trust, honesty and integrity.

4. To observe the standards of market integrity, good practice and conduct required or expected of participants in markets when engaging in any form of market dealings.

5. To be alert to and manage fairly and effectively and to the best of your ability any relevant conflict of interest.

6. To attain and actively manage a level of professional competence appropriate to your responsibilities, to commit to continuing learning to ensure the currency of your knowledge, skills and expertise and to promote the development of others.

7. To decline to act in any matter about which you are not competent unless you have access to such advice and assistance as will enable you to carry out the work in a professional manner.

8. To strive to uphold the highest personal and professional standards.
The CISI’s gap-analysis

The Commission has recognised a number of CISI qualifications as acceptable exams for the GFAS. In addition the CISI inherited the archives of the London Stock Exchange exams.

In the following pages we set out the gaps between these exams and the RDR/GFAS exam standards. We then recommend what the minimum amount of structured learning needs to be to cover these gaps. We then set out some options to consider. The outline of the CISI Diploma gaps can be found on page 39 and more detailed guidance is on the CISI website cisi.org/gapfillguide.

In this booklet we cover the gap analysis for:

- Private Client Investment Advice and Management (PCIAM)
- London Stock Exchange (LSE) Full member exams (note only certain exams qualify)
- Investment Advice Certificate (IAC)
- Chartered Wealth Manager Qualification - previously CISI Masters in Wealth Management (MWM) exams (to June 2010, fully RDR/GFAS compliant from December 2010 and is now known as the Chartered Wealth Manager qualification)

Each of the following tables therefore displays the exam standards, details of the gaps between each qualification and the new level four exam standards by qualification, and the CISI recommended gap-fill solutions/options for firms and individuals to consider. For existing advisers all gaps must be addressed through structured learning by the end of 2015. The gaps are summarised in the diagrams overleaf.

For those firms and advisers using the CISI’s own CPD scheme, the scheme includes designated areas for these gaps to be listed together with the means by which each adviser has filled the gaps. Advisers using CISI CPD events or activities will be able to have these automatically logged but we anticipate that many will use a firm’s own seminars, together with other providers, and the CISI endorses provision other than its own. Our list of Approved Gap-fill Providers can be found at cisi.org/gapfillproviders

Please do not hesitate to use our dedicated email address for any GFAS enquiries. It is rdr@cisi.org
IMC level 3 and qualifications gap-fill

A number of retail investment advisers hold the CFA UK Investment Management Certificate ("IMC") at Level 3, which was an Acceptable Qualification prior to GFAS. It is possible for holders of IMC Level 3 to become GFAS compliant through attainment of the Certificate in Private Client Investment Advice and Management ("PCIAM") plus a limited amount of gap-fill CPD.

The PCIAM exam certificate provides a valuable and comparatively straightforward route to fulfilling the qualification requirements for all six Activities listed on page 14, including the activity of Advising on Retail Investment Products.

There are relatively modest CPD gap-fill requirement for holders of the IMC Level 3 plus PCIAM these are highlighted in the PCIAM sections of the following gap-analysis tables ie * indicates that individuals who have taken PCIAM plus IMC level 3 will have already covered this and will not need to undertake this gap-fill.

Diploma combinations and qualifications gap-fill

For the Diploma, where practical, the existing provision for PCIAM qualification gap-fill has been factored in. This applies in all cases where PCIAM is one of the Diploma components used, and this significantly reduces the anticipated number of other gap-fill elements required.

Where a specific Diploma combination fails to address the scope of the new RDR exam standards by a whole unit, level 4 training courses are recommended.

The table on page 39 summarises the gap-fill requirements for Diploma holders seeking GFAS compliance.
Chartered Wealth Manager Qualification and qualifications
gap-fill

The need for gap-fill only applies to those candidates who completed units from the qualification before December 2010. From 01 December 2010 all units of the CISI Masters in Wealth Management/Chartered Wealth Manager Qualification comply with the new exam standards, covering all core and specialist areas.

For candidates with a combination of RDR compliant and pre-RDR compliant units please refer to the key below.

† indicates that individuals with the RDR compliant ‘Financial Markets’ unit (from 01 December 2010) have already covered this and will not need to undertake this gap-fill

† † indicates that individuals with the RDR compliant ‘Portfolio Construction Theory’ unit (from 01 December 2010) have already covered this and will not need to undertake this gap-fill

† † † indicates that individuals with the RDR compliant ‘Applied Wealth Management’ unit (from 01 December 2010) have already covered this and will not need to undertake this gap-fill

CISI gap-fill training courses

For information please see cisi.org/courses

The ATP based in Guernsey is the GTA University Centre admin@gtu.gg

Other gap-fill providers may also be used and a list of approved providers is listed at cisi.org/gapfillproviders

Recommendations
The current regulatory structure is substantially different compared with the lighter regime in place when the LSE exams were live.

Option 1 is to train in the new FSA Regulation & Professional Integrity exam at level four through an Accredited Training Provider (ATP).

Option 2 is a level 3 regulation exam taken and passed since 2008 together with the CISI’s IntegrityMatters and the following Professional Refresher modules:
- Anti-Money Laundering (or evidence of AML training)
- Approved Persons Regime
- Client Classifications
- Financial Ombudsman Service
- Financial Promotions
- Inducements and Dealing - Commissions
- Market Abuse
- Permissions Regime
- Treating Customers Fairly
- UK Regulatory Structure

UNIT: FINANCIAL SERVICES, REGULATION and ETHICS

Investment Advice Certificate

Syllabus gaps
Demonstrate an ability to apply the Code of Ethics and professional standards to business behaviours of individuals

Detail
The over-arching Code of ethics
The professional principles and values on which the Code is based
Identifying ethical dilemmas

Recommendations
Option 1 is the CISI IntegrityMatters test, grade A/B
Option 2 is an e-based seminar covering ethics and integrity from a CISI endorsed provider or a firm-based seminar of at least one hour’s duration.

Demonstrate an ability to critically evaluate the outcome that distinguish between ethical and compliance driven behaviours

Typical behavioural indicators – positive and negative
The outcomes which may result from behaving ethically — for the industry, the firm, individual advisers and consumers
UNIT: FINANCIAL SERVICES, REGULATION and ETHICS

UNIT: INVESTMENT PRINCIPLES & RISK

**Syllabus gaps**

Demonstrate an understanding of the macro-economic environment and its impact on asset classes

**Detail**

- The main long-term UK and global socio-economic trends
- Overview of world economies and globalisation of markets
- Economic and financial cycles - predictability, regional economy differences
- The key economic indicators - trends and their interpretation
- Significance of monetary and fiscal policy
- Relevance of money, inflation, deflation, interest rates and exchange rates
- Balance of payments and international capital flows
- The role of financial investment in the economy

Demonstrate an understanding of the merits and limitations of the main investment theories

**Key features of the main investment theories:**

- Modern portfolio theory
- Multi-factor theory
- Efficient market hypothesis
- Capital asset pricing model (CAPM)

**Portfolio theory, diversification and hedging:**

- Correlation between asset classes
- Total return and an awareness of beta and alpha
- Risk adjusted returns

Basics of behavioural finance - market and individual behaviours

**Recommendations**

Option 1 is CISI’s Structured Learning CPD for qualifications gap-fill under RDR course ‘Investment Principles & Risk’ (two days)

Option 2 is a seminar from CISI endorsed or accredited training provider or a seminar at a firm’s premises (two days)
UNIT: INVESTMENT PRINCIPLES & RISK

Syllabus gaps

Demonstrate an ability to analyse and explain the nature and impact of the main types of risk on investment performance

Demonstrate the ability to analyse the characteristics, inherent risks, behaviours and relevant tax considerations of investment products

Detail

Liquidity and access
Income and capital growth, including shortfall
Short-term volatility
Long-term performance
Gearing
Currency
Inflation
Interest rates

Systematic and non-systematic, including fraud and counterparty, institutional, market timing

The advantages and disadvantages of direct investment in securities and assets compared to indirect investment through collectives and other products

Main types and uses of indirect investment products:
- Investment structures (Collective investment funds, onshore & offshore; ETFs & ETCs; closed ended funds/ investment companies, onshore & offshore; ISAs & CTFs; National Savings & Investments; Life Assurance based investments, onshore & offshore; Defined contribution (DC) pensions; REITs & other property based products; VCTs & EISs; Broker funds & DIFs)
- Derivatives (basic structure, main types & uses)
- Investment strategy based products (hedge funds & funds of hedge funds; Absolute return funds; Structured Products, income & capital growth, structure & analysis; with profit funds, main principles)

Recommendations

Option 1 is CISI’s Structured Learning CPD for qualifications gap-fill under RDR course ‘Investment Principles & Risk’ (two days)

Option 2 is a seminar from CISI endorsed or accredited training provider or a seminar at a firm’s premises (two days)

</table>
| Demonstrate an ability to apply the investment advice process | Know your client requirements:  
- Explain the investment process  
- Establish client relationships, capability and circumstances including assets and debts  
- Agree and prioritise needs & wants  
- Agree investment objectives, growth, income, time horizons, debt and credit management and repayment  
- Determine and agree risk profile, objective and subjective factors  
- Assess affordability and other suitability considerations, ethical, social responsibility and religious  
- Agree strategy and rationale to achieve the objectives  
- Agree benchmark/ performance measures and review process | Option 1 is CISI’s Structured Learning CPD for qualifications gap-fill under RDR course ‘Investment Principles & Risk’ (two days)  
Option 2 is a seminar from CISI endorsed or accredited training provider or a seminar at a firm’s premises (two days) |
| Demonstrate an understanding of the principles of investment planning | Asset allocation:  
- Stochastic modelling,  
- Strategic & tactical asset allocation |  
Portfolio construction:  
- Stock and fund selection  
- Diversification by sector, geographical area and currency  
- Main fund management strategies and styles  
- Costs, charges, TERs, PTRs  
- Selection of products, tax wrapper and services  
- Provider selection and due diligence  
- Recommendations and suitability  
Wrap and other platforms:  
- Concepts and uses  
- Benefits and risks  
- Costs/charges |
UNIT: INVESTMENT PRINCIPLES & RISK

Syllabus gaps
Demonstrate an ability to analyse the performance of investments

Detail
Portfolio performance:
- Methods of evaluating portfolio performance
- Selection and use of benchmarks
- New money and timing factors

Portfolio review and administration:
- Changes in client circumstances
- Changes in financial environment
- New products and services available
- Maintenance of products and services
- Use of external services/benchmarking
- Rebalancing

Recommendations
Option 1 is CISI’s Structured Learning CPD for qualifications gap-fill under RDR course ‘Investment Principles & Risk’ (two days)

Option 2 is a seminar from CISI endorsed or accredited training provider or a seminar at a firm’s premises (two days)

UNIT: INVESTMENT PRINCIPLES & RISK

Syllabus gaps
Demonstrate an ability to analyse the characteristics, inherent risks, behaviour and correlation of asset classes

Detail
Alternative investments such as commodities and physical assets
Pricing, liquidity and fair value
Correlation of asset classes – relevance to asset allocation

Demonstrate an understanding of the macro-economic environment and its impact on asset classes

The role of financial investment in the economy

Recommendations
Option 1 is CISI’s Structured Learning CPD for qualifications gap-fill under RDR course ‘Investment Principles & Risk’ (full day)

Option 2 is a seminar from CISI endorsed or accredited training provider or a seminar at a firm’s premises (full day)
UNIT: INVESTMENT PRINCIPLES & RISK

Syllabus gaps

Demonstrate an understanding of the merits and limitations of the main investment theories

Detail

Key features of the main investment theories:
- Modern portfolio theory
- Multi-factor model
- Efficient market hypothesis
- Capital asset pricing model (CAPM)

Portfolio theory, diversification and hedging:
- Correlation between asset classes
- Total return and an awareness of beta and alpha
- Risk-adjusted returns

Basics of behavioural finance - market and individual behaviours

Demonstrate an ability to apply the principles of the time value of money

Compound interest and discounting

Real returns and nominal returns

Demonstrate an ability to analyse and explain the nature and impact of the main types of risk on investment performance

Gearing

Interest rates

Systematic and non-systematic, including fraud and counterparty, institutional, market timing

Demonstrate the ability to analyse the characteristics, inherent risks, behaviours and relevant tax considerations of investment products

The main types of indirect investment products:

Investment structures
- Broker funds and distributor influenced funds (DIFs)

UNIT: INVESTMENT PRINCIPLES & RISK

No gaps

Recommendations

Option 2 is a seminar from CISI endorsed or accredited training provider or a seminar at a firm’s premises (full day)
Personal Taxation (Core)

UNIT: PERSONAL TAXATION

Syllabus gaps

* Demonstrate an understanding of the UK tax system as relevant to the needs and circumstances of individuals and trusts

Detail

Outline of Value Added Tax (VAT) and Corporation Tax

Recommendations

Option 1 is the CISI CPD seminar on Taxation or Professional Refresher ‘Taxation’ module

Option 2 is the equivalent of the above with an Accredited Training Provider, in-firm training or a CPD provider

UNIT: PERSONAL TAXATION

Syllabus gaps

Demonstrate an understanding of the role and relevance of tax in the financial affairs of individuals and trusts

Demonstrate the ability to apply the knowledge of personal taxation to the provision of investment advice

Detail

The impact of taxes on individuals, trusts and their investments

Key principles of investment tax planning - spouses, civil partners, children, pension contributions, ISA allowances, use of the main CGT exemptions and reliefs

Main uses of lifetime gifts and trusts in basic IHT mitigation

To carry out tax computations on the most common elements of income tax and NICs, CGT, and IHT including the impact of lifetime transfers and transfers at death

To make elementary tax planning recommendations in the context of investment advice

Recommendations

Option 1 is the CISI CPD seminar on Taxation or Professional Refresher ‘Taxation’ module

Option 2 is the equivalent of the above with an Accredited Training Provider, in-firm training or a CPD provider

* indicates that individuals who have taken PCIAM plus IMC level 3 will have already covered this and will not need to undertake this gap-fill.
UNIT: PERSONAL TAXATION

</table>
| Demonstrate an ability to assess the factors that influence market behaviour relevant to investment advice | Factors that influence market and individual security movements:  
  - Derivatives market, interactivity of timed events, relationship with cash market  
  - Research and ratings  
  - Market Abuse regime  
  - Information and disclosure:  
    - Issuer reporting and announcements, corporate actions  
    - Transparency obligations - transaction reporting, share ownership and disclosure, short selling  
  - Market data convention | This can be covered in the ‘Investment Principles & Risk’ gap-fill, ie:  
  - Option 1 is the CISI’s Structured Learning CPD for qualifications gap-fill under RDR course ‘Investment Principles & Risk’ (half day)  
  - Option 2 is the equivalent of the above with an ATP, in-firm training or a CPD provider |

* Indicate that individuals who have taken PCIAM plus IMC level 3 will have already covered this and will not need to undertake this gap-fill.

** This material is not covered in IMC level 3. Reading must be undertaken to cover this and can be found at cisi.org/gapfillguide
UNIT: SECURITIES

Syllabus gaps

Demonstrate an understanding of the securities market structure, features, regulatory and trading environment

Demonstrate an ability to assess the factors that influence market behaviour relevant to investment advice

Demonstrate an ability to analyse the characteristics, features, behaviours and risks of securities in the context of the market for these products

Detail

Role, structure and regulation of global securities markets:
- Role of regulators, other supervisory bodies and trade associations

Domestic Markets:
- Other trading venues (MTFs; Systematic internalisers; Dark pools)

Factors that influence market and individual security movements:
- Volume, liquidity and impact of trading activities (Domestic and international markets)
- Derivatives market, interactivity of timed events, relationship with cash market
- Research and ratings
- Market Abuse regime

Information and disclosure:
- Issuer reporting and announcements, corporate actions
- Transparency obligations - transaction reporting, share ownership and disclosure, short selling
- Market data convention

Collectives:
- Open and closed ended
- Asset value, pricing and gearing
- Asset cover, redemption yields
- Investment management styles and fund selection
- Passported products
- ETFs and structured products
- Cash and cash equivalents
- Foreign Exchange

Recommendations

Option 1 is the equivalent of the above with an Accredited Training Provider, in-firm training or a CPD provider

Option 2 is to take the CISI Securities level four training course as if preparing for the exam

Option 3 is to prepare for and pass the CISI Securities level four exam

Option 4 is a level 3 Securities qualification preferably passed since 2008

* Indicates that individuals who have taken PCIAM plus IMC level 3 will have already covered this and will not need to undertake this gap-fill.

** This material is not covered in IMC level 3. Reading must be undertaken to cover this and can be found at cisi.org/gapfillguide

LSE
## UNIT: SECURITIES

### Syllabus gaps

**Demonstrate an understanding of the securities market structure, features, regulatory and trading environment**

- Role, structure and regulation of global securities markets:
  - Primary, secondary and dual listing
  - Exchange trading and OTC trading
  - Role of regulators, other supervisory bodies and trade associations
- Market participants and roles
- Domestic markets:
  - Issuing, listing, quotation, admission to market (UK Listing Authority; PLUS Market; AIM Market; Issuing securities without a prospectus)
  - Markets for trading (Equities; Government bonds; Corporate bonds)
  - Other trading venues (MTFs; Systematic Internalisers; Dark pools)
- International markets:
  - Developed markets
  - Emerging markets
  - Foreign Exchange market
  - Structure and access considerations

**Demonstrate an ability to apply dealing principles and practice relevant to client investment activity**

**Demonstrate an understanding of clearing, settlement and custody principles and practice relevant to client investment activity**

### Detail

- Clearing and central counterparty - UK process, duties, risks
- Settlement:
  - UK process
  - International Central Securities Depositories (CSDs)
- Relevance and impact of corporate actions

### Recommendations

## UNIT: DERIVATIVES

### Syllabus gaps
Demonstrate an understanding of the derivatives market structure, features, regulatory and trading environment.

### Detail
- Role, structure and regulation of global derivatives markets:
  - Role of regulators, other supervisory bodies and trade associations
- Range of derivative instruments and typical risks:
  - Financial derivatives
  - Commodity derivatives
  - Property derivatives
  - Exotic derivatives
- Market terminology
- Key market participants and roles
- Exchange trading and over-the-counter (OTC) trading - main differences
  - Standard and bespoke
  - Maturity, expiry, margin, collateral, liquidity
  - Clearing and settlement
  - Transparency and confidentiality
  - Trading mechanisms
  - Counterparties
  - Documentation
- Central counterparty (CCP) clearing of OTC transactions

### Recommendations
- **Option 1** is a course with an Accredited Training Provider, in-firm training or a CPD provider (two days)
- **Option 2** is to take the level four derivatives training as if preparing for the exam
- **Option 3** is a level 3 Derivatives qualification preferably passed since 2008
UNIT: DERIVATIVES

Syllabus gaps

Demonstrate an understanding of the pricing, trading and market practice of Exchange-traded derivatives

Demonstrate an understanding of the main types and characteristics of OTC traded derivatives

Demonstrate an understanding of clearing, margin, settlement, exercise and delivery of both Exchange-traded and OTC derivatives

Detail

Calculation of profit/loss on delivery or expiry - futures and options
Mechanisms for futures pricing:
- Factors influencing pricing
- Bases for calculation
Mechanisms of options pricing:
- Factors influencing pricing and premiums
- Bases for calculation
Price discovery for commodities
Market transparency, reporting and monitoring

Forwards and forward rate agreements (FRAs)
OTC option products
Contracts for difference
Swaps: - Interest rate swaps
Credit derivatives:
- Credit default swaps
Structured products
OTC trade capture, confirmation and clearing mechanisms

Definition and purpose of clearing:
- Roles and relationships
- Risks and guarantees
- Central counterparty clearing
Purpose, types and application of margin:
- Parties involved
- Processing, collection and payment
- Pricing factors and calculation
Purpose, types and application of collateral
Delivery and settlement
Exercise of options, assignment of obligations, abandonment and expiry

Recommendations

Option 1 is a course with an Accredited Training Provider, in-firm training or a CPD provider (two days)

Option 2 is to take the level four derivatives training as if preparing for the exam

Option 3 is a level 3 Derivatives qualification preferably passed since 2008
UNIT: DERIVATIVES

Syllabus gaps
Demonstrate an ability to evaluate the purpose, merits, limitations and risks of the main derivatives strategies for trading, hedging and investment relevant to client investment activity.

Detail
Trading and Speculation
Hedging:
- Options strategies
- Futures strategies
Investment and derivatives, including use of synthetics:
- Portfolio hedging
- Portfolio yield enhancement
- Structured funds and ETFs

Recommendations
Option 1 is a course with an Accredited Training Provider, in-firm training or a CPD provider (two days)
Option 2 is to take the level four derivatives training as if preparing for the exam
Option 3 is a level 3 Derivatives qualification preferably passed since 2008

UNIT: DERIVATIVES

Syllabus gaps
† Demonstrate an understanding of the main types & characteristics of OTC traded derivatives

† Demonstrate an understanding of clearing, margin, settlement, exercise and delivery of both Exchange-traded and OTC derivatives

Detail
Credit derivatives:
- Credit default swaps

Definition and purpose of clearing:
- Roles and relationships
- Risks and guarantees
- Central counterparty clearing

Purposes, types and application of margin:

UNIT: PENSIONS AND RETIREMENT PLANNING

Syllabus gaps

Demonstrate an understanding of the relevant aspects of pensions law and regulation to pensions planning

Demonstrate an ability to analyse the options and factors to consider for drawing pension benefits

Detail

Pensions Regulator compliance requirements
Trust and contract based pensions
Role and duties of trustees and administrators
Employment law relevant to pensions
Bankruptcy law and pension assets

Triviality rules

Recommendations

Option 1 is CISI’s Structured Learning CPD for qualifications gap-fill under RDR course ‘Understanding Pensions & Retirement Planning’ (full day)

Option 2 is a seminar or e-learning product from a training provider, in firm training or a CPD provider

Option 3 is for advisers to consider provision from specialist bodies such as the Chartered Insurance Institute or Pensions Management Institute

UNIT: PENSIONS AND RETIREMENT PLANNING

Syllabus gaps

Retirement planning, pension eligibility, products and legislation have all developed significantly since the LSE exams were introduced.

Recommendations

Option 1 is training for the new CISI Private Client Advice unit with an Accredited Training Provider

Option 2 is to cover the relevant topics through the Chartered Insurance Institute’s training & exams
## UNIT: PENSIONS AND RETIREMENT PLANNING

### Recommendations

**Option 1** is the CISI’s Structured Learning CPD for qualifications gap-fill under RDR course ‘Understanding Pensions & Retirement Planning’ (one day) or the equivalent of the above with an Accredited Training Provider, in-firm training or a CPD provider.

**Option 2** is the training for the new CISI Private Client Advice unit with an Accredited Training Provider.

**Option 3** is for advisers to consider provision from specialist bodies such as the Chartered Insurance Institute or Pensions Management Institute.
UNIT: PENSIONS AND RETIREMENT PLANNING

Syllabus gaps
Demonstrate an ability to evaluate the aims and objectives of retirement planning including the relevant investment issues.

Detail
Assessing and quantifying retirement aims and objectives:
- Availability and prioritisation of savings
- Assumptions and impacts
- Conflict with other objectives
- Timescales and risk

Investments available to meet this objective:
- Suitability and risk
- Rates of return needed
- Accumulation and decumulation strategies, life-styling
- Products and wrappers, advantages and constraints, critical yield
- Other sources of non-pension income

Asset allocation factors, relationship to overall portfolio

Self-investment:
- Main characteristics

Alternative solutions for pension income:
- Alternative sources of capital including non-pension investment assets, home equity, proceeds from sale of a business, inheritance
- Advantages and drawbacks

Factors affecting regular reviews

Recommendations
Option 1 is the CISI’s Structured Learning CPD for qualifications gap-fill under RDR course ‘Understanding Pensions & retirement Planning’ (one day) or the equivalent of the above with an Accredited Training Provider, in-firm training or a CPD provider.

Option 2 is the training for the new CISI Private Client Advice unit with an Accredited Training Provider.

Option 3 is for advisers to consider provision from specialist bodies such as the Chartered Insurance Institute or Pensions Management Institute.
