1. Background

Following the implementation of the UK Regulator's Retail Distribution Review (RDR) on 31 December 2012, Retail Investment Advisers require a Statement of Professional Standing (SPS) in order to practice their profession. Advisers need to obtain an SPS from an Accredited Body. The CISI is an Accredited Body recognised for the purpose of providing the independent verification required under TC 2.1.27 R to issue SPSs to Retail Investment Advisers. This policy sets out the procedure for disciplinary decisions relating to a CISI SPS decision.

2. CISI SPS requirements

The CISI will accept applications for a SPS from current CISI members (excluding Student members) and current employees of CISI Corporate Supporter firms affected by the RDR. The requirement to have a SPS applies to all retail investment advisers.

To obtain a SPS, an adviser must:

- be a Retail Investment Adviser
- Hold an active CF30 status only applicable to Appointed Representatives
- be able to provide verifiable evidence that they have met the requirements in TC 2.1.1 R of having obtained an RDR appropriate qualification as per the FCA Appropriate Qualifications list;
- be able to provide verifiable evidence of having successfully completed the relevant gap-fill, to meet the FCAs RDR gap-fill requirements (if applicable);
- be able to provide verifiable evidence of having undertaken acceptable Continuing Professional Development (CPD) as required by the FCA in TC 2.1.15, unless exempt from this requirement;
- confirm that they have complied with FCA Code of Conduct Rules COCON (or Adhered to APER, applicable to Appointed Representatives only)
- confirm that they have adhered to the CISI's Code of Conduct.

3. Notification of Disciplinary Action

The CISI's SPS application/renewal process seeks a declaration from the applicant regarding a disciplinary investigation that has led to a disciplinary sanction in which they may be involved.

Firms are encouraged immediately to inform the CISI of any disciplinary action involving current or former employees from whom the CISI has received an SPS application or issued a SPS.

All declarations of disciplinary action against Holders/Applicants of a CISI SPS will be investigated by the CISI and a report will be sought from the firm. In the event that a firm is not verifying the application, the report will be sought from the Holder/Applicant. CISI may also contact other relevant parties in the course of the investigation.

All SPS applications and notifications declaring disciplinary action are kept in strict confidence and are released only to the Regulator, the CISI's own Disciplinary Review Panel and Disciplinary Panel (should it need to meet), and the firm.
