What is the ICWIM?

Growing prosperity is increasing the demand for private banking services, whilst the turmoil in the financial markets demonstrates the need for robust and focused solutions to help clients withstand market volatility and preserve their wealth.

ICWIM covers the essentials of financial planning, private client asset management, fund management, advisory functions and investment analysis from a global perspective. You will learn about the range of assets and investment products available in the market and you will gain the knowledge to provide financial advice and find appropriate solutions to meet the investment, retirement and protection planning needs for your clients. ICWIM is suitable for individuals engaged in private client asset management and fund accounting.

Who should study the qualification?

The qualification’s broad focus on wealth and investment management makes it suitable for a wide audience – from new entrants to financial services to professionals already working in the industry who may be interested in diversifying into wealth management. It is an ideal alternative for staff working in wealth management roles who need to demonstrate competence through the achievement of a benchmark qualification and who want to develop an understanding of how to deliver wealth management advice.

The ICWIM meets the needs of those firms who want to ensure that staff are able to provide high-quality advice and the qualification can be included into staff induction programmes.

Studying for the ICWIM

154 hours of study time is recommended and you can self-study for the exam using the CISI learning manual and accompanying elearning material or have formal training with one of our Accredited Training Partners (ATP). To find an ATP near you visit cisi.org/atp

The CISI’s learning manual policy requires, where available, the most up-to-date CISI learning manual to be purchased when booking an exam, including by an ATP on your behalf. This applies to all candidates sitting CISI exams in the UK (includes Northern Ireland, Guernsey, Jersey and Isle of Man). Candidates sitting CISI exams outside of the UK will receive the most up-to-date learning manual for that subject in PDF format and this is included in the international exam price.

Assessment

ICWIM is assessed via a two-hour 100 multiple-choice question exam. The pass mark is 70%. The exam is delivered by Computer Based Testing (CBT). A worldwide network of test centres is available, ensuring flexible scheduling, instant results and ease of completing the exam on screen. Visit cisi.org/cbt to find your nearest cbt centre.
