

# Women in Finance:

Empowering women's careers with complimentary access to CISI membership

We are launching our Women in Finance initiative to support women entering or re-entering financial services by offering 50 complimentary memberships. As a professional body and educational charity, we are fully committed to ensuring that a career in financial services is accessible to all, and this initiative helps us action support.

Successful applicants will benefit from the full range of CISI membership features. Terms and conditions apply and are linked at the bottom of the flyer, please submit your application by Thursday 26 March.

## About the CISI

We are a global professional body for financial services, setting the highest standards of professional excellence in the sector. We offer qualifications and membership, that help professionals to build and maintain their knowledge, skills and behaviour for a successful career in financial services.
